

13:30-14:30

MARINE BIODIVERSITY

- Steady deterioration "All very well collecting data"
- Things to be pulled together
- Action needed

Action: Dolphin Space ... Deborah Bennam include BS/T Forms.

- Integration of various Boards re water quality (eg Canals Board)
 - needs a Forum
 - needs resourcing
- Training for marine available (March 07 - WDCS) with UHI piloting in Moray Firth (Deborah Bennam)
- Look at Firth as a whole system (eg Dornoch)
