So this is what I can do about it

- 1. Find a bit of beach to look at**
- 2. Take photos and make a note of what types of litter there are.**
- 3. Do local people think it's a problem?**
- 4. Would they help you (the school, or a group of your friends) clear it up?**
- 5. Contact Adopt a Beach and arrange a beach clean.**
- 6. Spread the idea to other stretches of beach.**
